THE VENUE

Mission Estate has been making dream weddings come true for over 25 years. Our talented team takes care of all your arrangements and handles the details from ceremony to last dance while you enjoy your time with your loved ones.

An iconic Hawke's Bay landmark, The Mission has a beautiful tree-lined driveway, a lovingly restored classic building, stunning gardens, and vineyards.

Situated only 10 minutes from Napier, it is conveniently placed, yet gives the impression of being in a world of its own.

You will fall in love with the multiple ceremony settings available, from the romantic gazebo, the modern lookout with views of Napier city, or the sheltered, vine-covered terrace.

The Chapel is a classic reception venue, with vaulted ceilings, wood panelling and arched windows. It adjoins the covered terrace and lawn for a seamless transition from ceremony to drinks, and canapés to dinner and dancing. Stroll through the vineyards for your formal photos and take advantage of the picturesque grounds to capture the beauty of your day.

With the expansive grounds, you also have the freedom to arrange for a marquee on the lawn, or dinner and dancing on the terrace. The options are endless and we are on hand to showcase the best we have to offer.

Although all parts of the Mission do not close for a wedding, The Chapel is a completely exclusive, private venue and all consideration is given to providing a high level of privacy to every wedding.
